

The Role of the Hospitality in the local Church

- Organizes all major events or functions throughout the year for the Church
- Provides special gifts on special days (Mother's Day, Father's day, Grandparents day) just to name a few
- Keeps the food pantry in order
- Oversees the clothing drive
- Orders all clothing (shirts) that will be used for any special events(church picnic)
- Oversees the Lords supper supplies
- Assist the Pastor to achieve goals for the year

These may not seem like much to do, but having a Quality team in place helps the Church to meet the total needs of the community
